TESTING RESTRICTIONS

Championship Sporting Regulations, approved by CAMS, include the following restrictions:

Testing is prohibited in the Northern Territory and Tasmania.

From February 28, 2010, all drivers registered for more than two (2) rounds of the Championship shall be required to nominate, in writing, to the CM, two test Championship circuits, defined as the circuits which will host a round of the Championship. Unlimited testing will be permitted at these nominated circuits. Testing at local circuits which are not part of the Championship is permitted. Drivers may compete in State meetings (for the entire meeting only) where an appropriate class is available. Testing is prohibited at the venue of any scheduled round on the Monday, Tuesday, Wednesday and Thursday prior to that round, SAVE where Thursday is part of the meeting schedule. The CM may consider a request to vary test track nominations, after the closing date, on the presentation of compelling written evidence. Such approval will only be considered under exceptional and unusual circumstances.
